AUDITOR'S REPORT

To the Members of the Legislative Assembly of Saskatchewan

I have audited the balance sheet of the Training Completions Fund as at March 31, 1999 and the statement of revenue, expenditure and fund balance for the year then ended. The Training Completions Fund's management is responsible for preparing these financial statements for Treasury Board's approval. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Training Completions Fund as at March 31, 1999 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

TRAINING COMPLETIONS FUND
NOTES TO THE FINANCIAL STATEMENTS
March 31, 1999

1. Purpose and Creation of the Fund

The Private Vocational Schools Training Completions Fund (Fund) was created under the *Private Vocational Schools Regulation Act, 1995*. The act was proclaimed on December 15, 1995.

The Fund is administered by the Department of Post-Secondary Education and Skills Training. The revenue of the Fund consists of monies that operators are directed by regulations to provide, donations to the Fund and earnings from the investments of the Fund. The Fund is primarily to be used to provide the financial resources necessary to continue the training of students affected by the closure of a school.

2. Significant Accounting Policies

The financial statements are prepared in accordance with generally accepted accounting principles. The following accounting policy is considered significant.

a) Accrual basis

The financial statements are prepared on the accrual basis of accounting.

3. Related Party Transactions

The Fund has not been charged with any administrative costs and no provision for such costs is reflected in these statements. These costs are borne by the Department.

4. Due From General Revenue Fund

The monies of the Fund are deposited in the General Revenue Fund. Under this arrangement, interest is calculated on the net position of the Training Completions Fund.

The Fund's interest is received from the General Revenue Fund on a quarterly basis using the Government's thirty day borrowing rate.

5. Fair Value

Accounts receivable are short-term in nature and as such carrying value approximates fair value.
